"THE THREE PEAKS"

As reported in last months "Bar Hill News" and the "Cambridge Evening News", a team from Bar Hill Church will attempt the 24-hour "Three Peaks Climb" on Tuesday 9th August.

Many thanks to all who have already offered generous sponsorship, the response from the village has been marvellous. All money raised will go towards equipping the new Youth Wing at the School. If you haven't yet sponsored this effort but would like to, its not too late - contact Sophie Laurence on 81046.

The team will be departing from the Church Centre at 9 a.m. on Monday 8th August, and are very grateful for all the support and encouragement they have received.

YOUTHFUL DRAMA AT THE ARTS THEATRE

Young Theatre Group is a lively drama club for youngsters aged from eleven to sixteen-ish. The Group meets at the Cambridge Arts Theatre on Saturday mornings during term time where young people can learn theatre skills.

The club starts back after the summer holidays on Saturday 10th September to begin work on their latest production: A-LADD IN TROUBLE. The show will be staged at the Arts Theatre on Sunday and Monday, 8th and 9th January.

If you are interested in drama, why not come along on 10th September from 10.00 a.m. - 12.30 p.m.). The annual subscription is only £3. You may even like to audition for one of the pantomine"s principal characters or, if not, be a member of the large "chorus". Stage experience is not essential although enthusiasm and reliability are very important.

Just turn up on Saturday 10th September or, if you would like further information, telephone Jackie Cunningham (C.H. 81487) or Ray Raikes (Cambridge 891687).

THE VILLAGE SIGN

As you will see the Village Sign has now been erected. I am very sorry if you missed the unveiling but due to having to get people together at the right time and place, it was not possible to publish the date in the Bar Hill News as we only knew of its arrival two days before.

Bunty Waters

"THE BUSTARD"

The Bustard is on our sign because originally it came from this East Anglian area and Bar Hill Developments used it in their Letter headings and so it became our "Logo". You may notice that it is used by Cambridge also.

The Bustard is the largest European land bird. It lives on open steppes and plains and can weigh as much as 4 kilograms (31 pounds) with a wingspan of up to 2.25 metres (7 1/2 feet).

MEALS ON WHEELS SERVICE IN BAR HILL

Can you spare just one hour between 11.30 a.m.- 12.30 on either Monday, Wednesday or Friday on a weekly basis, or perhaps less often but regularly?

We are in need of more help to deliver Meals in Bar Hill. At present there are only four permanent people receiving meals, but the number of recipients varies as needs arise.

The Social Services and the W.R.V.S. are jointly responsible for getting hot meals from the kitchen in Cambridge to the surrounding villages. These are sent by car in insulated boxes and each meal consists of two foil packed containers. The car stops at a pre-chosen spot in the centre of the village and is met by voluntary helpers who take the meals to the individual people. These may be convalescing, accident cases, or infirm - anyone who is unable to to cook a hot meal for themselves for some reason or other.

It is not absolutely necessary to have a car - though it does speed delivery - a bicycle, or two good walking legs will do as well.

You are usually only asked to deliver in your own area of the Village, and the greatest need at the moment is for someone at the top end.

This service is of vital importance to the village and people who have received meals, and are still receiving, are very grateful for the food and often for the visit.

If you are interested and feel you might be able to help please contact the Meals on Wheels Organiser for Bar Hill, Lyn Moss on 81341 or Bunty Waters on 81493.

ROYAL BRITISH LEGION

The next monthly meeting will be held at the Farmhouse on Thursday 11th August starting at 7.30 p.m. Will all members take special note that it has been decided all these meetings in future will start at the new time.

After the successful social evening held in June, another will be held on Saturday 13th August and this too, will start at 7.30 p.m. Non members are very welcome to join us at a charge of £1.00 per person. Please advise the undersigned if you wish to come along. There will again be a quiz which is proving very popular.

Plans are in hand to arrange a Christmas Dinner and members should note in their diaries that the proposed date is Thursday 22nd December.

BAR HILL AND DISTRICT CHILDMINDERS ASSOCIATION

Thank you to all who supported us at the village Fete. We apologise for being unable to provide the usual waitress service for Strawberry teas, but access was very difficult.

Special thanks to all who "volunteered" to have wet sponges thrown at them whilst locked in the stocks. We know some of you "missed out" but we hope to be in a more prominent position next year - volunteers willing! Our special thanks go to Mr. Stead and Mr. Rich who provided the materials and made the wonderful stocks - thank you both.

The money we raised will go towards large items of play equipment for the use of group members.

After the fete a baby's red beaker with lid and two handles was found along with a girls short white sock. In the kitchen a baking tin was found, that doesn't belong to the village hall as first thought. Please contact me if any of these items belong to you.

If anyone needs a childminder for any length of time, for any age of child, please contact me.

BAR HILL CRICKET CLUB

The results of our recent matches in the Mid-Week League have been close with a win against Willingham, and we came second to Chatteris, Madingley and Somersham. The only winner against Chatteris was the rain, but the game is now re-scheduled for Tuesday 26th July.

The big hands of Adrian Kent have served us well behind the wicket and the addition of Graham Harrower to our bowlers has been a great asset. We are improving all the time even if the results don't quite show it.

BAR HILL MOTHER AND TODDLER GROUP

If you have achild aged between 1 year and 3 years whom you would like to bring to Toddlers next term, please contact me at the number below. We run a special session for younger toddlers (12 - 18 months) only on Tuesday mornings and sessions for the older toddlers on Mondays, morning and afternoon. We have a number of other things planned for next term. The photographer is going to visit to photograph the children. You have the option of purchasing the pictures after you have seen tham. We are planning a First-Aid talk with particular reference to the Under-5's. This is going to be at 8.00pm on November 2nd. More details on this later.

BAR HILL ROAD RACE CHAMPIONSHIP ROAD RACE

The 4th County of Cambridgeshire Bar Hill Road Race Championships will take place on Sunday 31st July 1988.

10.30am Junior Championship - 15 laps of the perimeter road
1.30pm Senior Championship - 25 laps of the perimeter road

The start/finish line for each race is on Saxon Way just below Oatlands Avenue.

BAR HILL COLTS F.C.

This year our under 11 team won the Cambridge and District League Sportsmanship award. They came top out of 115 teams having been awarded an average of 9.33 points (out of 10) over the season. These marks are given after each game by our opponents so it was quite an achievement by the boys, their manager Jack Fleming and his two assistants Alan Choat and Jim Turney, and something we can all be very proud of.

Teams will be starting training again soon. Any new players should contact either individual team Managers or the secretary. Managers are as follows:-

John Baker	80549	U-15
Dick Barker	80702	U-14
Phil Circuit	81717	U-13
Graham Sargent	80804	
Jack Fleming	81917	U-12
Mick Potter	81148	U-11
Jennie Barker	80702	U-10
Mick Egan	80801	U-9
John Houston	81738	U-8

I would like to thank very much John Targell and Matthew Eden for all the time they have given to the boys and the club, I hope they will continue to participate as much as their busy schedules allow.

Many thanks also to all who give their time to the club - and please remember we need as much support as possible from the parents - not only from a transport point of view but also from the side-line. It makes a difference.

Jennie Barker
Secretary (80702)

HANOVER HOUSING ASSOCIATION

Hanover Close is a small estate provided by the Association for the housing of retired persons who wish to enjoy their surroundings, the maintenance of which they pay for in their rent. Unfortunately some thoughless Bar Hill residents appear to be under the impression the lawns and footpaths at Hanover Close are a public right of way and the recently erected post and wire fence have been damaged by these trespassers.

This is an appeal to everybody to respect the privacy of these elderly residents and unless one has official business in Hanover Close, to keep out.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Dear Resident,

The Transportation Appeals Committee have agreed to a 40 mph speed limit around the perimeter road. The proposal will include extra 40 mph signs at intervals with 30 mph signs at the entrance to all estate roads, the scheme will be monitered and reviewed after 6 months. I attended the meeting of this committee and pointed out the serious problems that now exist after Cambus re-routed their service forcing people to cross the perimeter road in order to catch the bus.

I am sure that everyone was delighted to hear that the District Council are giving a grant of £14,000 for floodlighting and changing accomodation at the Community School. By the time you read this letter there will have been a meeting between the sporting organisations, the County Council, the Parish Council, the District Council and School Governors etc. They will discuss how best to co-ordinate this grant and monies from the County Council along with the possibility of grants from the Sports Council and Football Association to provide improved sporting activities such as netball, tennis, football etc. for the benefit of the School and the Community

The 1988 Local Government Act makes it easier for any member of the public to complain directly to the local Ombudsman about Council's maladministration. There is a booklet called 'Your Local Ombudsman' which gives details of how to complain direct.

It is now time for all Voluntary Organisations to consider if they wish to apply to the County Council Social Services Department for the 1989/90 grants to support their work. Grants now exceed £700,000 and support a wide range of organisations and groups. Applications should be made to the Director of Social Services, Shire Hall, Cambridge.

The Government recently issued a Green Paper on the future of Library Services. It places much emphasis on the basic free library service to which everyone should be entitled. It also discusses and seeks comment on possible changes in legislation which could allow Local Authorities at their discretion to charge for other services provided, the involvement of the private sector and the possibility of contracting out services. TheCounty Council has submitted its views on the Green Paper and a White Paper should follow in the New Year.

If anyone wishes to contact me please telephone 'Careline' on CH 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held at 7.30 p.m. on Thursday 21st July in the Old Farmhouse.

Election of Parish Council Governor - B.H. Community Primary School

J. Wills was re-elected as the Parish Council's representative on the new Governing Body of the school, which commences its function on 1st September.

Dencora Limited

Copies of a proposal by Dencora to develop farm land adjacent to Domino's new headquarters had been circulated to all Councillors for perusal. After some discussion, the proposal was rejected by the Parish Council.

P.C. Workshop Roof

The workshop roof is being renewed in the near future and the Clerk was requested to purchase a warning notice advising children and adults of the extreme dangers of climbing on this structure.

Village Play Equipment

Much of the present play equipment in the Village is felt to be dangerous by present day standards. It is therefore the Parish Council's intention, in conjunction with the Residents Association, to replace this with more up-to-date, safer equipment in the near future.

40 m.p.h. Experimental Speed Increase - Perimeter Road

The 40 m.p.h. speed limit increase on the perimeter road will be effected for a period of six months, during which time monitoring will take place to assess its effectiveness.

Cambus

County Councillor Reynolds advised that the evening service of the bus No. 155 Cambridge to Swavesey will be de-regulated and the County Council will be putting this out to contract. The Contract will make provision that the buses will travel anti-clockwise around the Village. This fact should put some pressure on Cambus to re-route their buses from Cambridge to Swavesey also in an anti-clockwise direction.

Bar Hill/Dry Drayton - Footpath/Bridleway

The Parish Council had been asked to fund part of this up-grading, by the supply of money and/or labour. The Clerk was requested to obtain more detail of actual costings to the Parish Council.
